Management 2026**
&
Doctoral and Early Career Researchers' Colloquium 2026

Conference Dates: 26, 27 & 28 February 2026 (HYBRID MODE)

Organizer: School of Management, Pandit Deendayal Energy University, Gandhinagar, Gujarat

Publication Partner:  Part of **SPRINGER NATURE** 

About Pandit Deendayal Energy University (PDEU):

PDEU was established as a Petroleum University in 2007 with a focus on fossil fuels and later emerged as India's only energy university in the year 2021, dedicated to energy education and research. Today, the university has marked its presence as a renowned institution with noteworthy national and international visibility. PDEU is aggressively contributing towards Nation's Aatma-Nirbhar Bharat Abhiyaan.

As there is a global quest for more efficiency through Industry 4.0, we are prepared with the opportunity of finding innovative solutions to these challenges, and becoming reservoir of knowledge for radical yet sustainable societal transformation.

About School of Management (SoM):

School of Management (formerly School of Petroleum Management) is among Top 100 Management Institutes as per NIRF Rankings. It offers two-year full-time residential MBA programmes in Energy and Infrastructure Management and General Management with specialization in Marketing, Finance, Human Resources, Operations Management and minor in Business Analytics. In addition, SoM offers Executive MBA for working executives in hybrid mode, Ph.D. programme (full-time and part-time) and Management Development Programmes.

This trimester system MBA programme includes *eight weeks* of compulsory summer training for the students. It also includes field visits, independent study courses and constant interaction with industry personnel to prepare industry ready professionals. It has Business Analytics Teaching Lab which provides students with knowledge and skills that empower them in tackling business problems using appropriate data analytics.

It boasts of 100% placements for last 4 consecutive years with top notch companies visiting for campus placements.

About Conference:

International Conference on Energy, Infrastructure and Management (ICEIM) is a flagship event of School of Management, Pandit Deendayal Energy University, Gandhinagar, Gujarat which is organized every year.
