BCI APPROVED

# WELCOME MESSAGE

The School of Law at PDEU represents a transformative journey in legal education. With a dynamic ecosystem designed to impart holistic legal education, our institution stands as India's emerging hub for legal excellence. Our law programs are crafted to complement innovation, excellence, and inclusive education, preparing students not just as legal practitioners, but as thoughtful advocates for justice.

## WHAT MAKES US DIFFERENT

### Dynamic Ecosystem Approach

We go beyond traditional classroom teaching. Our commitment to experiential learning ensures that every student graduates with practical competence alongside theoretical knowledge.

### Industry - Partnered Curriculum

The curriculum is designed by industry experts through a dedicated Curriculum Development Committee, keeping pace with evolving legal landscapes and professional demands.

### Holistic Student Development

With over 40 student activity clubs, professional body chapters, innovation hubs, and leadership programs, we foster well-rounded legal professionals.

## OUR VISION AND MISSION

The School of Law is committed to fostering a vibrant learning environment where students develop critical thinking, legal acumen, and professional integrity. We operate under the Bar Council of India's approval, ensuring our curriculum meets the highest national standards.

## TRANSFORMATION OF PDPU TO PDEU

"I am glad to see PDPU is creating its own identity, not just in the country but also in the world. And I am very proud to see that this university is far ahead of its time. In the last one and a half decade, the PDPU has expanded in many spheres, including the energy spectrum, besides the petroleum sector. Given the progress of PDPU today, I would request the Gujarat Government to rename it from Petroleum University to Energy University by amending laws."

**SHRI NARENDRA MODI,**  
Hon'ble Prime Minister of India  
(8<sup>th</sup> Convocation Address of  
Pandit Deendayal Petroleum University)

## Practice-Oriented Approach

The 3-year LL.B. program emphasizes hands-on learning through:

- Moot Courts and Mock Trials
- Legal Clinics and Pro Bono Services
- Internships in Law Firms and Courts
- Real-world Legal Simulations
- Client Counseling Workshops
- Legal Drafting and Conveyancing
- Negotiation and Mediation Training

## Professional Mentorship

Students receive mentorship from practicing lawyers, ensuring immediate readiness for legal careers and fostering socially responsible legal practitioners.

# Experiential Learning & Infrastructure

## The Moot Court: A Cornerstone Experience

Our state-of-the-art Moot Court is far more than a simulated courtroom. It is a dynamic learning laboratory where:

- Students research complex legal issues and craft detailed written memoranda
- Persuasive oral arguments are delivered before faculty and guest legal experts
- Critical thinking and advocacy skills are sharpened in realistic courtroom scenarios
- Confidence is built through practice under professional pressure

This cornerstone experience prepares students to respond swiftly and effectively in high-stakes legal situations, mirroring real courtroom dynamics.

## World-Class Library Facilities

Our ICT-enabled library (256 sq. meters) provides:

- Extensive collection of legal books, journals, and academic magazines
- Online Legal Databases with current case law and statutes
- Kindle Reading Station for digital resources
- Modern research infrastructure supporting focused study
- Collaborative learning spaces

The library functions as the heart of academic research, supporting students in developing sophisticated legal research methodologies.

## Modern Classrooms and Facilities

- ICT-enabled teaching spaces for interactive learning
- Seminar halls for group discussions and debates
- Computer labs for legal research and documentation
- State-of-the-art courtroom simulation facilities

# Why Choose PDEU School of Law

## Innovative Curriculum

A comprehensive curriculum designed by industry experts covering essential legal subjects:

- Constitutional Law and Fundamental Rights
- Business and Commercial Law
- Environmental Law and Sustainable Development
- Intellectual Property Rights and Patent Law
- Cyber Law and Digital Governance
- 

## Experiential Learning Opportunities

- **Moot Courts:** Develop advocacy and persuasive skills
- **Legal Clinics:** Provide pro bono legal services to marginalized communities
- **Internships:** Gain practical experience in law firms, courts, and government agencies
- **Legal Aid Services:** Engage with real-world legal problems and social justice

## International Exposure

- Student exchange programs with reputed international law schools
- Collaborations with global legal institutions
- Opportunities to gain comparative perspectives on international law
- Guest lectures from renowned international legal scholars

## Placement and Career Opportunities

Graduates pursue diverse career paths:

- **Corporate Legal Departments:** Fortune 500 companies and multinational corporations
- **Law Firms:** Boutique practices and major legal establishments
- **Government Sectors:** Ministry of Law, Judiciary, and Administrative Agencies
- **Policy Think Tanks:** Research and policy development organizations
- **International Legal Institutions:** UN bodies, international courts, and NGOs
- **Independent Legal Practice:** Private legal practice and entrepreneurship
- **Non-Governmental Organizations:** Human rights and social justice organizations

# Faculty Excellence & Learning Environment

## Distinguished Faculty

**Our faculty comprises:**

- Subject matter experts with extensive academic credentials
- Practicing lawyers and legal consultants
- Guest lecturers from prominent law schools and institutions
- Mentors committed to student success and professional development

## Teaching Methodologies

**Interactive and Learner-Centric Approach**

- Case study analysis and Socratic method
- Problem-solving exercises and group discussions
- Moot court participation and simulation exercises
- Peer teaching and collaborative learning

## Guest Faculty from Esteemed Institutions

**We regularly invite accomplished academics and practitioners from:**

- Indian law schools and universities
- International legal institutions
- Government agencies and public interest organizations
- Corporate legal departments

## Exchange Opportunities

Our students benefit from:

- Visiting student exchanges with partner law schools
- Faculty exchange programs
- Collaborative research initiatives
- Comparative legal studies exposure

# Campus Life and Holistic Development

## Residential Facilities

**Our comfortable on-campus hostels foster a vibrant student community where:**

- Students develop lasting professional networks
- Collaborative learning extends beyond classrooms
- A sense of community and belonging is cultivated
- Leadership skills are developed through peer interaction

## Sports and Recreation

**Modern sports complexes ensure fitness and wellness:**

- Basketball and volleyball courts
- Fitness centers and gymnasium facilities
- Cricket grounds and athletic tracks
- Yoga and wellness programs
- Team sports fostering collaboration and discipline

## Student Activity Clubs (40+)

**Over 40 student-managed organizations including:**

- Debate Club and Public Speaking Forum
- Legal Research and Writing Society
- Environmental Law Club
- International Relations Discussion Group
- Cultural and Arts Associations
- Sports and Fitness Groups
- Technology and Innovation Club

## Innovation and Incubation Centre

**A dedicated platform encouraging:**

- Legal innovation and entrepreneurial ventures
- Research in emerging areas of law
- Development of legal technology solutions
- Social enterprise initiatives addressing legal access issues

## Professional Development

- Professional body chapter memberships
- Bar Council of India engagement
- Internship Opportunities
- Guest lectures from practicing attorneys
- Leadership and mentorship programs
