ISSUE 12 - AUGUST, 2022

Student Achievement

It's a joyous moment for all of us as four students – Harsh Vachhani, Kevin Bhikadia, Hariaum Babaria and Hansil Jasoliya – from CSE 2019-23 batch who did their summer internship in JP Morgan Chase, UK have been offered employment with an annual CTC of UK £ 40,500 (INR 38.00 LPA). We heartily congratulate them for this huge feat.

30th July 2022

The 8th Biennial International Conference on Energy and Infrastructure Management took place on 30th July 2022. The day was forged ahead with research papers presentation by the authors and co-authors. The tracks namely, Human Resource & Behavioural Management, Strategy & Energy Management and Project & Technology Management were conducted, which witnessed close to 15 research paper presentations. The presentations were highly insightful and added great value to the students' knowledge.

15th August 2022

PDEU celebrated India's 75th Independence Day with great fervor. With vibrant cultural events like patriotic group song and group dance, the day was filled with much zeal and zest. Apart from that, the NCC Parade highlighted the bravery of our soldiers. The Director General, Dr. S. Sundar Manoharan, was the guest of honour and graced the event with his empowering and patriotic speech.

23rd-25th August 2022

The Civil Engineering Department, successfully organized the 1st International Conference on 'Innovation in Smart and Sustainable Infrastructure' during 23-25 August 2022. In total ISSI 2022 received 154 full papers from premier research institutions in India and Abroad along Water Resource Management, Geotechnical Engineering, Structural Engineering, Hydrology, GIS and GPS systems, Environmental Engineering, Concrete Technology, Construction Management and Transportation Engineering themes. The selected papers are now undergoing critical review for possible publication in Springer's forthcoming Lecture Notes in Civil Engineering book. Further, ISSI also invited researchers and field experts from all over the nation (NITs, IITs, IISc) and abroad (South Korea, UK) to discuss their research groups' theoretical, numerical and experimental investigations.

**25th-26th August 2022**

The SIH – 2022 software grand finale was held from 25th August to 26th August 2022. The program was centrally inaugurated by the Ministry of Education at 9:00 AM. Honourable Prime Minister of India addressed the students and the program was live on DD National and News. The purpose of this contest was to provide wider social media visibility for the Smart India Hackathon grand finale 2022 where SIH alumni, SIH 2022 participants, SIH Grand Finale participants, institutes and other stakeholders had a chance to win prizes upto INR 20,000.

**30th August 2022**

The Department of Chemistry organized its seventh talk of CHEMTALKS: A Chemistry Colloquium Series on 30th August 2022. The faculty, staff, research scholars, and M.Sc., M.Tech students were participants for the same. Dr. Dhiraj Murale, Scientist, Korea Institute of Science and Technology (KIST), Seoul, South Korea was the speaker of the event. He spoke on the topic "Design and synthesis of fluorescent probes for bio-applications".
