Student Feat

Sami Kurieshi, SLS '22 and Team Gujarat once again brought laurels to the University and the state by winning Gold medal at Digvijay memorial national championship held at Jaipur from 16th – 24th Dec, 2022.

1st December

The University hosted Mr. Jonathan M. Heimer, Minister Counselor for Commercial Affairs, Embassy of the United States of America on December 1, 2022. He met and had a dialogue with senior management of the university and appreciated various collaborative activities undertaken by PDEU and the US universities. He also visited the D-Block to see the life journey of Mahatma Gandhi.

2nd December

In the 15 years of our journey, PDEU has achieved several benchmarks and marching forward. Every successful achievement had a group of people who envisioned, worked hard and bestowed their experience in the development of the University. One such eminent personality was late Director General Prof. Kartic C. Khilar who contributed to shaping the Academic and Research Culture of PDEU, during his tenure and facilitated the University in every aspect. Prof. Khilar passed away on 13th November 2009. In his remembrance "Prof Kartic Khilar Memorial Lecture - 2022" was organised on "Future of Cancer Treatment: Engineers impacting Decision Making" by Prof. Shantanu Chowdhury on 2nd December, 2022 between 3 p.m to 5 p.m at the Auditorium.

7th December

School of Petroleum Management (SPM), organized a Business Management Symposium-2022 on 7th December, 2022. The event witnessed the discussion on the theme "Sustainable Consumer Behaviour" by highly experienced dignitaries from various industries. Business Management Symposium (BMS) is an initiative of SPM to invite Indian business leaders, who have made it big - by learning and gradually leading their organizations to the pinnacle of success, for a student interaction on the trending business practices in the industry.

12th December

Prize distribution ceremony was held to felicitate the students who secured top 3 ranks in their respective classes. The main focus of this event was to recognize the scholastic performance of the students and motivate them to autograph excellence in their scientific pursuits. Around 100 students along with their parents participated in this award function. The cash award for the 1st position was of Rs. 15000/- and 2nd position 10000/- and 3rd position Rs. 5000/-.

12th December

Women's Cell had organized a Workshop on Gender Sensitization exclusively for our Faculty and Staff Members on 12th December, 2022 between 2:00 pm to 4:00 pm at D-Block.

12th – 16th Dec

The Department of Mechanical Engineering, School of Technology organized four Skill Development programs (each of one week) for the students, in the areas of Additive Manufacturing (with hands-on training on 3-D printing machine), Advanced Welding & Cutting, Metallurgy, Machining, Biodiesel, etc. Apart from faculty members, the Lab Staff contributed very enthusiastically to the program.
