

## STUDENT ACHIEVEMENT

Pandit Deendayal Energy University congratulates. All India GATE Topper Mr. Shrinath Jani (AIR-1) along with Mr. Milan Lathiya (AIR-3), Mr. Suraj Chauhan (AIR-6) and Mr. Yogendra Pawar (AIR-6).

It is also a matter of pride for us as our SPM student Sourabh S Nair (MBA in Energy and Infrastructure) from the batch of 2020-22 has been awarded by the prestigious Bharat Heavy Electricals Limited(BHEL) for his innovative idea on Green Hydrogen that he worked on and developed during his study at the University

## 6<sup>th</sup> - 12<sup>th</sup> APRIL 2022

SPT organized a Skill Development Program on **Advanced Reservoir Engineering - Series II**. The program was held online on MS Teams with Dr. R.V. Marathe, Reservoir Engineering Consultant and Dr R.K. Vij, Director - SPT being the guests of honour.

## 10<sup>th</sup> APRIL 2022

TEDx PDEU was organized independently by OSAIL. There were varied speakers like Ash King (British-Indian Bollywood Singer), Sanam Kapoor (La Pinoz Founder and CEO), Edward Sonnenblick (American-Indian Actor, Comic, Voice Artist), Dr. Navneet Gill (Nini's Kitchen Founder), Dr. Sandhya Koushika (Neuroscientist at TIFR, Mumbai), Viral Desai (Environmentalism & Industrialist, Green Man of Gujarat), Bert Ashley (Quiz Master and Molecular Biologist), Pooja Thomas (Cultural Studies Professor - MICA), Hunny Bhagchandani (TorchIt Founder, PDEU Alumni, Shark Tank India Pitcher)

## 11<sup>th</sup> APRIL 2022

**The University held its 9th Convocation on 11th April 2022**

on campus. The graduating students were addressed by Honourable Minister Shri Hardeep S. Puri, Ministry of Petroleum and Natural Gas (MoPNG), Government of India and the President of the University. The event was graced by Honourable Chief Minister of Gujarat, Shri Bhupendra Patel and he gladly conferred the degrees to the graduating students.

## 15<sup>th</sup> - 17<sup>th</sup> APRIL

The Annual Social and Cultural Fest of PDEU-Flare'22 was held from 15th April 2022 to 17th April 2022 on campus. There were events like Model Hunt, Art Workshops, Music Production Workshops, Abstract Make-up Workshop, Western Dance Workshop, Theatre and Acting Workshop, Food Relay, Quiz, Face Painting etc.

## 25<sup>th</sup> APRIL - 29<sup>th</sup> APRIL

The Department of Chemistry, SOT organized a 5 Days Hands-on Workshop on Synthesis of Nanomaterials and Nanocomposites for PG and PhD students from 25th April 2022 to 29th April 2022. The participants were equipped with useful knowledge of the design, processing, properties, and application potentials of the broad range of nanomaterials and nanocomposites, emphasized through hands-on lab sessions. Participants also learnt about the various synthetic routes for the preparation of an array of nanoscale materials and their functional composites.

**Organizing Committee**

**Patron** : Prof. Sundar Manoharan  
(Director General)

**Vice Patron** : Prof. Sunil Khanna  
(Director School of Technology)

**Chairman** : Prof. Rajib Bandyopadhyay  
(Head, Department of Chemistry)

**Coordinator(s)** : Dr. Rama Gaur  
Dr. Syed Shahabuddin

**Lab Coordinator**: Dr. Vasudev Trivedi

**Student Coordinators**: Harshil Keshi  
Dishant Kargaria  
Krunal Parekh

**HANDS ON WORKSHOP  
ON SYNTHESIS OF  
NANOMATERIALS AND  
NANOCOMPOSITES**

**25 April – 29 April 2022**

M.Sc. & Ph.D. students, professionals working in industry and any other interested individuals can apply

## 25<sup>th</sup> APRIL

IADC PDEU Student Chapter organized Adhishthana'22 – IADC PDEU Annual Ceremony on 25th April, 2022. The theme of the ceremony for this year was Role of Digitalization in Making the Oil and Gas Industry Sustainable. Prof. S. Sundar Manoharan and Dr. R. K Vij Director-SPT hosted the guest from oil and gas industry. The day long ceremony witnessed five thought provoking technical sessions on the trending oil and gas topics in alignment with new generation requirements, Inquizitte: A nail-biting quiz session with handsome cash prizes, Panel Discussion by industrial professionals on the theme, A valedictory ceremony wherein outgoing committee members were felicitated and new committee for the year 2022-2023 were appointed, Azimuth: IADC PDEU Annual Magazine Launch and a Cultural Evening with Networking Dinner.

## 29<sup>th</sup> APRIL

As a part of the National conclave on Clean and green energy, The IOCL- PDEU Electric Vehicle Marathon was organized at the Sabarmati River Front on 29. 04.2022, at 6:00 AM, where 4 wheelers, three-wheelers, and two-wheelers EV were arranged for the marathon. 300+ staff and students participated in the marathon.
