Moreover, the University has many years back, adopted TCSiON LMS, which further helped in seamless offering of online education. •With the help of service providers, training sessions were conducted for student, faculty and administration staff by University IT department so that they could adapt to the online systems in a flawless manner. Additional hardware like cameras, speakers and digital writing pads were installed in various classrooms also so that faculty can beam online sessions through University campus. PDEU has 68 class rooms which are Wifi enabled and it also has 8 lecture halls of 120 capacity. PDEU also conduct symposium/seminar conferences in online and offline mode from Auditorium with 480 seating capacity.. •Faculty who were comfortable conducting sessions from home due to some constraints, were facilitated by providing special financial assistance from their Professional Development Allowance to buy essential basic hardware tools as per need. Information sharing on online teaching experience among faculty members further helped in enriching the overall online teaching process. •A significant exercise regarding Outcome Based Education (OBE) was completed entirely on online basis, which is an evidence of leveraging online systems for teaching-learning. In addition to all these, faculty and students were always keeping in touch through other digital tools like Messenger Apps and Video Conferencing to add on to the overall online learning experience. •All these measures greatly contributed to adhering to course completion and examination conduct/result preparation/result declaration deadlines. •All these led to timely student progression in terms of placement and higher studies.
