## A MESSAGE FROM DIRECTOR GENERAL, PDEU

Dr. S. Sundar Manoharan,  
Director General  
Pandit Deendayal Energy University

It is a great pleasure presenting the 9th edition of Annual Report of the Office of Student Activities, Involvement & Leadership (OSAIL) for the year 2021-2022. This report portrays the ambitious plans and achievements of OSAIL.

Office of SAIL provides platform for the students to learn, explore, and mature socially with interactions through diverse groups. It aims at developing opportunities for students to groom themselves to be future leaders in all fields. When a lot of inter-disciplinary skills are the need of the day importance of student clubs and activities increases many folds. I am delighted to see the number and variety of activities that students undertake along with their regular academic activities. It shows their sincerity towards building important life skills, bringing ideas into tangible realm, and pushing their boundaries further and further.

This year was a transition phase from the pandemic, it is great to see students coming back to campus with enthusiasm and excitement. Keeping in mind the goal of being helpful to their surrounding and society, Office of SAIL has tried to make things easier for people around with its events and activities.

The efforts put in by Office of SAIL team, Faculty mentors, and the students are commendable. I would like to extend my compliments to all the associated members that have guided the pathway to success

## A MESSAGE FROM DEAN, STUDENTS' AFFAIRS

Dr. Tajinder Pal Singh (Ph.D)  
Dean, Students' Affairs  
Pandit Deendayal Energy University

When the pandemic hit, it brought a series of unprecedented tectonic changes in all walks of life including the teaching profession. During this period, the significant change was the transition to virtual/remote teaching. It was not a smooth ride for sure. It has been a journey punctuated with self-induced anxiety, plagued by self-doubt and unprecedented level of stress. The experience of teaching and learning online by integrating ICT tools have been challenging initially and rewarding in terms of forcing us to come out of our comfort zone and helping us to embrace the new technology. There are challenges that come with every change but that is what makes life interesting.

The health and well-being of students are of primary concern and one way of ensuring this is by engaging students in co-curricular and extra-curricular activities for an optimal period of time.

Being physically active helps to keep us fit and healthy, boosts our mood and helps our cognitive function. Much of our time now is spent on bringing back normalcy to our lives on campus, especially after several months of lockdown.

I extend my best wishes for the successful publication of the OSAIL report for 2021-22.

# Team OSAIL

(TEAM OF OFFICE OF STUDENT ACTIVITIES, INVOLVEMENT & LEADERSHIP)

**Dr. Niyati Shah**  
Associate Dean  
Students' Affairs

OSAIL team supports students to brainstorm, streamline and execute their events. They set the bar high and also help students to reach there and excel in their respective fields.

# About and History of PDEU

## About the University:

Pandit Deendayal Energy University's 100-acre campus is located in Gandhinagar, which is the capital city of Gujarat and located 23 Km North of a well-developed city called Ahmedabad with a population of 8 million people. The city is famous for its remarkable cultural development and social life.

PDEU offers multiple courses ranging from engineering, arts, and management along with maximum exposure and opportunities to its students through various national and International exchange programs with best Universities worldwide. For the development of its faculties and staff the University endeavors for various Joint Exchange and Research programs.

## History of PDEU:

Pandit Deendayal Energy University (PDEU) has been established by GERMI as a Private University through the State Act enacted on the 4th of April, 2007. The University offers programs to address the need for trained human resources in the domains of Science, Technology, Management, and Humanities. It intends to broaden the opportunities for students and professionals to develop core subject knowledge which is duly complemented by leadership training interventions, thereby helping the students to make a mark in the global arena. This objective is being further addressed through a number of specialized and well-planned undergraduate, postgraduate and doctoral programs as well as intensive research projects.

# Schools at PDEU

School of Petroleum Management offers M.B.A. and Ph.D., Post Graduate Diploma in Petroleum Management for Executives and Management Development Programs focused on Energy & Infrastructure Sector, General Management. The School is approved by AICTE.

School of Petroleum Technology offers B.Tech., M.Tech. And Ph.D. in Petroleum Engineering. It is academically engaged in creating a high-quality talent pool for the hydrocarbon sector across the entire value chain.

School of Technology offers B.Tech. in the fields of Automobile, Civil, Electrical, Electronics & Communication, Mechanical, Computer, ICT & Chemical Engineering, BSc. In Chemistry, Physics & Mathematics & besides these all programs it offers Ph.D. Program in mentioned branches. It also offers M. Tech in various fields.

School of Liberal Studies offers four-year Bachelor program in the field of Liberal Studies, M.A. in Public Administration/International Relations /Political Science as well as the Ph.D. programs.

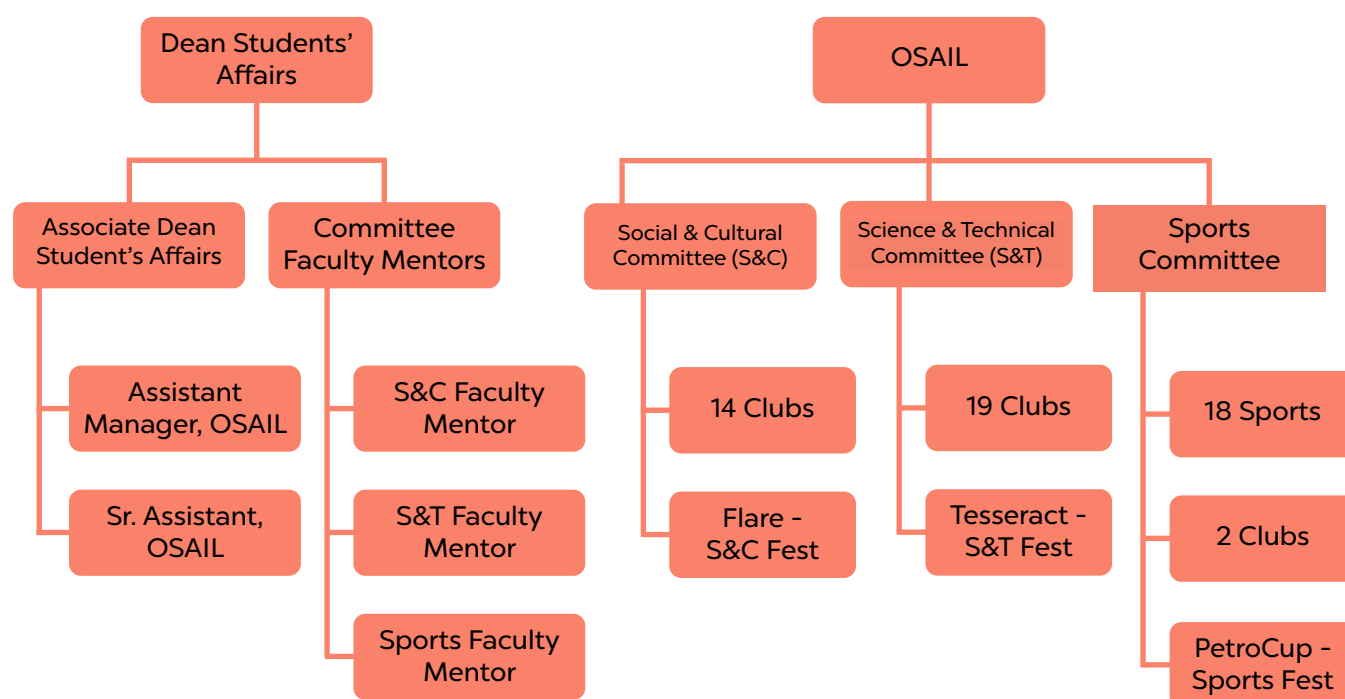

# Office of Student Activities, Involvement and Leadership (OSAIL)

The Office of Student Activities, Involvement & Leadership complements students' academic experiences by providing services and resources that engage students in creating campus culture through social, cultural, intellectual, spiritual, athletic, recreational, artistic, political, and service opportunities.

The Office supports the student organizations that abound at PDEU. Opportunities are provided for student participation and leadership experiences in a variety of officially recognized clubs and organizations. Currently it mentors and funds around 35+ student clubs which conducts around 250+ events throughout the academic year. The staff is committed to delivering quality advising, resource materials, leadership development opportunities, and administrative support services to impact students' growth and development and enhance the success of each student organization.

It ensures that students with Leadership qualities get platform to experiments with their ideas and enhance their skills. These leaders keep the campus buzzing with their innovative events and also ensure that talented students get chance to showcase their talents in those events. There are sports/recreation clubs, special interest groups, professional societies, and social service activities, cultural & technical events.

# 2021 -22 In a Nutshell

# Student Organizations and Clubs @ PDEU

Since the establishment of Office of Student Activities, Involvement and Leadership it has played a very significant role in Pandit Deendayal Energy University, spearheading all the extra as well as co-curricular activities. In the academic year of 2021-22, OSAIL committees, consisting of Technical, Cultural and Sports committees were constituted. Ever since their inception, the committees have been working in full swing to enhance, nurture and foster student interests in an array of areas within and beyond the academics. Clubs are an integral part of committees which help in enhancing the passion of students in diversified fields.

# Social and Cultural Committee (SnC)

The Social and Cultural Committee – S&C is a bridge between the student clubs and OSAIL at PDEU. The committee ensures that the students get acquainted with various activities culturally and engage with each other. The focal point of the committee is to conduct events by being the representatives of different schools by proper management of resources and execute them to enrich the social and cultural growth of the students. The most awaited flagship event, Flare, a cultural fest is organized by this committee along other events such as with Independence Day and Republic Day celebration, Uttarayan, and Navrati. The social and Cultural Committee aims to get the students to network and enjoy during the events as a family.

# AJIA BUNKER

## The Korean & Japanese Club of PDEU

### Events by Ajia Bunker in 2021-22

Sr. no	Event Name	Date
1.	Movie Screening	21 August 2021
2.	Korean Movie Screening	14 November 2021
3.	Anime Quiz	17 December 2021

### Key Events:

#### Anime Quiz:

The Japanese and Korean pop culture influences youth worldwide with Anime, Manga, Manhwa, J-pop, and K-pop. We realized the importance of these vibrant and unique cultures and decided to work towards establishing a club that understands the importance of having different cultures on the same campus. We organized an anime quiz competition to test students' knowledge about anime and to introduce them to some new and unknown anime. Ajia Bunker conducted the anime quiz event on the 17th of December 2021, coordinated by the members of Ajia Bunker.

14.	Aahvan (Flare)	17th April 2022

Date\* - Offline

### Key Events:

#### Anchoring Workshop:

The anchoring workshop was organized by Daastan on 9th march in the performing arts room. It was the third offline event for Daastan and it was mentored by Aditya Dhingra who is an actor, director, theatre artist, and an alumnus of PDEU. The workshop was designed to bring people out of their comfort zones and be confident on stage. First, the people were made to come up and introduce themselves and the mentor was jotting down the points to give feedback and improve skills to help people. The activities were very insightful and gave everyone a reflection on themselves. Then people were supposed to anchor for different types of events and show their styles and show their stage charisma.

## Key Events:

### Research Paper/Review Paper Writing Workshop

Research Paper/Review Paper Writing Workshop organized by Jharokha - The Literature Club of PDEU on 24th November 2021, with the able guidance of Dr. Pradeep Mallik, from Department of Literature at School of Liberal Studies, PDEU, for walked the audience down through the details of the research and review papers. This event was marked by some really important inputs, tips, and tricks for writing a research paper and the various ways and efforts that one puts into a review paper. The participants were provided with certificates after the workshop.

## Women's Voices: Heard and Unheard

Women's Voices: Heard and Unheard was organized by Jharokha - The Literature Club of PDEU on 8th March 2022. The event commenced from 2 P.M. - 4 P.M. The event kicked off with emotional but inspiring poetry by the author of Unobligated: Unspoken Emotions, Samriddhi Mandawat, led by an empowering and informative panel discussion with our panelists Dr. Neeta Khurana, Dr. Rachna Arora, and Dr. Ankita Srivastav. The event ended with a riveting question-and-answer session with our enthusiasts.

## Human Library

Human Library was an event, organized by Jharokha - The Literature Club of PDEU on 14th March 2022 in collaboration with Aatmann - The Psychology Club of PDEU and TEDxPDEU. The event commenced from 4:30 P.M. - 6:00 P.M. It all started with participants introducing and meeting each other, spreading warmth and strength around. The rules were explained well and numbers were allotted to all. There were questions given to the participants, which they answered and discussed amongst themselves. It all ended with an amazing Never Have I Ever Round.

### Hindu Mythology and Communication

Hindu Mythology and Communication was a productive and enlightening webinar organized by MithakShastra- the Mythology and Folklore Club and conducted by Dr. Sandesh Mahajan. The event began at 5 pm on February 23, 2022, with the hosts welcoming the speaker to the crowd and concluded at 7 pm with an interactive discussion on the significance of Semiotic Representation of Hindu Deities and how it influences the notion of Hindu Mythology. The webinar shredded some light on Hindu gods' paroles, which bring our culture and their existence to life.

15.	Art Battle	16 April 2022
16.	Face Painting	17 April 2022

## Key Events:

### Chitrakan:

Rang conducted an event named Chitrakan in collaboration with Rotaract. Chitrakan was organized on 22 October 2021 and 12 November 2021. It was an event where the team of Rang and Rotaract would visit the Orphanage and organize fun activities for those children. They were introduced to some new ways to use the colors such as the straw technique, mixing colors and making new shades, etc. There were no registration fees for the event. The purpose of the Chitrakan was to open the gateway of art and imagination for the children of the orphanage. Participants could express their imagination through art.

## One-Stroke Painting:

One-Stroke painting was organized on the 25th February 2022. It is a popular and interesting decorative painting technique where double and multi-loading are used to achieve highlights, shadows, and color changes in one stroke. This was an offline workshop conducted by the Graphic Design head of Rang Nandini Bhuvra. The purpose of the One-stroke Painting workshop was to make the artists learn new skills, and discover more gifts about themselves. We gave their brush a chance to load two separate colors and achieve the shading in one stroke.

## Rozgaar Kalyan

Rozgaar Kalyan's main focus was to help the daily workers who had struggled during the tough covid times. They were seeking to be taught the different government schemes which were in place for their perusal. This event was the first offline event for the club in this annual session. Volunteers, as well as the board members, reached out to the construction workers in three different cities of Gujarat - Ahmedabad, Surat, and Vadodara. Through Rozgaar Kalyan, Rotaract shared knowledge about different government schemes benefiting the construction workers. Many such schemes are left out of their life and they are unable to take advantage. So Rotaract club of PDEU took initiative to make them aware of such policies. In addition to these caps, rations and biscuits were distributed.

## Blood Donation Camp

On the 13th of April 2022, the camp was held on the University's campus in collaboration with the Red Cross Society and NSS PDEU. The event came to a close with an impressive total of 372 units of blood. Apart from the usual adverse effects of blood donation, such as tiredness, headache, and nausea, the event went off without a hitch. The Red Cross offered all consumables, such as chips and energy drinks, to the donors, as well as a certificate and a smart card, which will aid them in future references. The Rotaract Club, along with NSS, assisted with the logistics and was in charge of the entire event.

### Breathe in Sync

Breathe in Sync was a workshop that delved into the intricate link between music and mind. It is concerned with the relationship between music and our mind for various purposes like healing, concentration, and other well-being. Dr. Kedar Upadhyay and Dr. Parth Mankad; two established music therapists, led all along this path to discover the healing power of music. Music Therapists, Dr. Kedar Upadhyay and Dr. Parth Mankad from the Euphonious Healing Music Therapy and Research Center were invited as the speakers for this workshop. Dr. Kedar Upadhyay is an Ayurvedic doctor and Music Director and Dr. Parth Mankad is a Homeopathic doctor.

1.	Gyan Pravard 2.0 – The Tales of Vedic Astronomy	09 August 2021
2.	Kaha Vrutantah ? What is the Story	27 August 2021
3.	Introductory Session	05 September 2021
4.	Sholk Recitation Competition	17 October 2021
5.	In Kathakrama with shree Artyom	11 November 2021
6.	Ved Vani	20 February 2022
7.	Fun Flare	15 March 2022
8.	Vartavalli	14 April 2022
9.	Panel Discussion	15 April 2022
10.	Sanskritthon	16 April 2022

## Key Events:

### Sanskritthon (Sanskrit Hackathon);

Sanskritthon was organized with the purpose to train people to think faster in Sanskrit. The questionnaire and hackathon was mainly in Sanskrit language with an amalgamation of Hindi and English languages. The event got a great response not only from PDEU, but also from Non- PDEU Students. The session was filled with interactions between the participants on stories in Sanskrit and what they love about the language. It was organized on 16th April, 2022 and different round were conducted in Sanskrit for the event.

# ZAAYKA

## The Food & Cuisine Club of PDEU

No. of Events held: 14  
No. of Students Participated: 1450

### Events by Zaayka in 2021-22

Sr. No	Event Name	Date
1.	Bakers Delight	16 July 2021
2.	Camera Eats First	08 July 2021
3.	Slow Food Sensation	19 August 2021
4.	introductory Session	07 September 2021
5.	Meme-o-Mania	26 September 2021
6.	Daawat-Ae-Quiz	17 October 2021
7.	The Mad Batter	17 November 2021
8.	Foodies Feud	21 February 2022

### Key Events:

#### Slow Food Sensation

Zaayka and Rotaract collaborated with Ms Purvi Vyas and came up with an incredible workshop - low food Sensation - a joint initiative by both the clubs to sensitise the audience about the advantages of Slow food movement. It was about the past, the present, and the changes that will occur in our way of life in the future! But more importantly, it was a return to our culture and tradition, as well as a step forward in environmental conservation. The primary goal of this event was to raise public awareness about the necessity and significance of slow food. The motive behind the movement and hence the workshop is to prevent the disappearance of local food cultures and traditions, counteract the rise of fast food and fast life, combat people's dwindling interest in the food they eat, where it comes from and how our food choices affect the world around us.

# Events by SnC Committee

## Events by Social & Cultural Committee

Sr. No	Event Name	Date
1.	Independence Day Celebration	15 August 2021
2.	Navratri Celebration	07 October 2021
3.	Introductory Session	05 January 2022
4.	Interviews	08 January 2022
5.	Republic Day Celebration	26 January 2022
6.	Pre-Flare	13 April 2022
7.	Flare	15 April 2022

### Independence Day Celebration:

The nation celebrates this day with high spirits and pride. PDEU commemorated the occasion with its own touch of Independence Day Celebrations. The 75th Independence Day was celebrated with pride and honour on the 15th August, 2021. With the heads held high and the hands saluting, the Indian flag was hoisted, followed by the National Anthem.

### Navratri Celebration:

People usually eagerly wait for Navratri celebrations to happen. This event was organized to revive the festivities at the campus from 7th October, 2021 to 15th October, 2021. This event was very short version of Rangtaal. A dome was made for the aarti to take place, where everyone at the campus can come and join in for the Aarti and seek blessings from Mataji. Aarti was followed by garba for a shorter duration, wherein all the students danced their hearts' out and enjoyed the very special festival of Navratri.

## Republic Day Celebration:

26th of January, the Republic Day of India is one of the two days where all the Indians gather around and pay a tribute to our nation. PDEU marks the celebration of this day by a celebration and pay homage to the Country and its growth over the years. Honouring the nation's success with a flag hoisting ceremony on its 73rd Republic Day which was followed by singing national anthem & wise words by Director General, PDEU.

## Pre-Flare:

Sr. No	Event Name	Date
1.	Blind Date with a Book	13 April 2022
2.	Unplugged	13 April 2022
3.	Cypher	13 April 2022
4.	Blood Donation Drive	13 April 2022
5.	Amethyst Auditions	14 April 2022
6.	Kora Kaagaz	14 April 2022
7.	Stippling Art Workshop	14 April 2022
8.	Vaartavali	14 April 2022
9.	Music Production Workshop	14 April 2022
10.	Ankhe Khuli ho yaa ho Bandh	14 April 2022

Pre-Flare was organized by Social & Cultural Committee of PDEU on 13th & 14th April, 2022. The idea behind conducting Pre-Flare was to give the people a mental picture of how flare is going to be and induce a sense of excitement among the people for the fest. Some of the events like Blood Donation Drive was also successful in spreading the motive of a good cause by donating blood for the needy and educating people about it. There were events like Cypher which provided a platform for dancing enthusiasts to showcase their skills for the audience and to get people amped up for Flare.

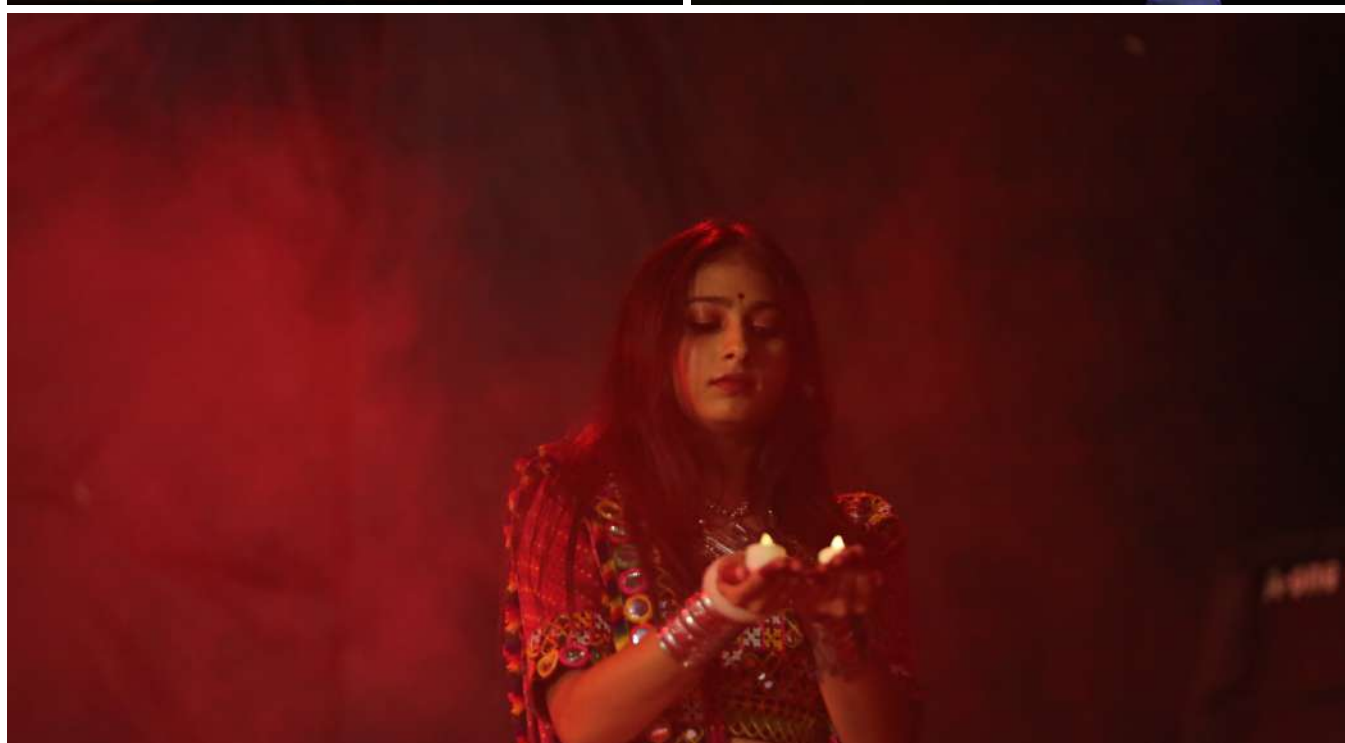

# FLARE

## Flare:

Flare is simply not just a cultural extravaganza to PDEU but a series of days that students take back with them for the rest of their life. 2022 sealed 11 years of Flare's existence and hence to celebrate its 11th Anniversary with theme "Into the Reviere". Flare was held on 13th-17th April, 2022. There were various events in genre of Dance, Music, Art, Literature, Theatre, Culture, Politics, Fashion or Gaming. The three main events for Flare were, Amethyst – The Model Hunt, Ablaze – The Intra College Dance Competition. Each day was packed with a tight schedule of fun and entertaining events that offered students a wide variety to participate in.

This events provided students a wide base of knowledge and experience from which they could hone a wide array of skills. Flare provided students an opportunity to explore and experiment different arenas. Thus, like a world cruise that takes its passengers through innumerable courses of the ocean, Flare was a unique fest that traversed to a galaxy of spheres with intriguing and stimulating events that recognizes the passive talents of our students and helped them become better well rounded individuals.

# Science and Technical Committee (S&T)

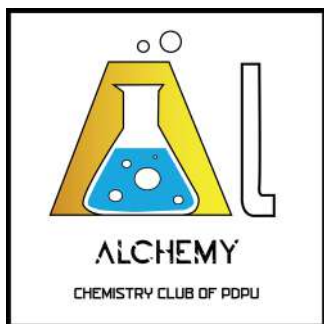

Science and Technology committee aspires to create an equilibrium between Science and Art through its workshops, events and competitions. The committee aims to provide the students with technical skills and knowledge. It enables students from diverse backgrounds to learn from professionals and experts on various subjects pertaining to Science and Technology. It organizes events such as Tesseract-- an Annual Sci-Tech Fair. Furthermore, it also applauds engineers with the celebration of Engineer's Day.

# ALCHEMY

## The Chemistry Club of PDEU

No. of Events held: 12

No. of Students Participated: 850

## Events by Alchemy in 2021-22

Sr. No	Event Name	Date
1.	Establishing Bonds	20 July 2021
2.	Chem-Rush	14 August 2021
3.	Instagram Collaboration: Panache x Alchemy	17 September 2021
4.	Chemical Palette	19 September 2021
5.	Introductory Session	18 November 2021
6.	Squid Game	22 January 2022
7.	Pharmanomics (Anirveda x Alchemy)	29 January 2022
8.	Industry Insights	26 February 2022
9.	Pre-Tesseract: Hydrogen Fuel Cell	21 March 2022
10.	Tesseract: Parla Tech 3.0	26 March 2022
11.	Tess Fair: Hydrodipping	26 March 2022
12.	Instagram Collaboration: Samiksha Rasratnakara ki TattvamxAlchemy	16 May 2022

## Key Events:

### Parla Tech 3.0

Parla Tech 3.0 was organized by Alchemy on 26th March 2022 under PDEU's Annual Science & Technical Fest – Tesseract. The event is a debate championship organized on five Sustainable Development Goals (SDGs). Goals selected this year were:

- SDG 4: Quality Education
- SDG 7: Affordable and Clean Energy
- SDG 9: Industry, Innovation, and Infrastructure
- SDG 11: Sustainable Cities and Communities
- SDG 13: Climate Actions

The debate took place between the ruling party and the opposition party, where the ruling party gave the ways to develop SDGs and the opposition party found out the problems and demerits of those ideas. In total 75 students participated in the competition and the event witnessed a great amount of audience.

## Session on Hydrogen Fuel Cell

Session was conducted by Dr. Ranjan Pati with the aim to make attendees understand current technological use of Hydrogen fuel Cell and future research and development in the same field. The session was conducted on 21st March 2022 and 70 students attended. It was a fruitful session with deep insights on said topic and the session ended with a discussion and Q&A round.

No. of Events held: 17

No. of Students Participated: 880

## Events by Anirveda in 2021-22

Sr. No	Event Name	Date
1.	Introvia 1	17 August 2021
2.	Towards 2030	26 September 2021

15.	BahiKhata	04 February 2022
16.	Ambush Marketing	26 March 2022
17.	Global-o-poly	27 March 2022

## Key Events:

### The FinConomics Olympics

As a part of the Discord Fest organized by VGA, Anirveda along with Bulls & Bears club conducted The FinConomics Olympics. It was organized as a series of four games such as The Logo Showdown: The audience is shown well-known logos and asked to guess them, Brand Symphonies: A game for guessing brands through jingles, Arey Deewano Mujhe Pehchano: A game that involves guessing famous characters & Connect the dots: A series of clues were provided and the audience guessed the answers. The event was organized on 18th August 2021 and 62 students participated.

## Global-O-Poly

Anirveda organized an interesting and riveting event 'Global-o-Poly' inspired by the famous Board game - Monopoly. The participating teams with 2-4 members each were provided with a country profile and were explained the rules and regulations of trading and bidding. Round 1 started with bidding for 14 resources at a base price for a single unit which could be multiplied. Before the beginning of round 2, a biological war crisis was introduced which surprised the participants and added a fun element. Round 3 involved trading of resources left untraded in round 1. In round 4, internal trading between countries was allowed and in the last round, participating teams presented their justification for the resources selected and other factors. The judgment was based on the strategy justification, QnA session, trading bids, and percent of budget left with countries.

3.	Introductory Session	19th November 2021
4.	Aeroeconomics	29th January 2022
5.	Ideathon	25th March 2022
6.	Walk-O-Glider	26th March 2022

## Key Events:

### Walk-O-Glider

Avionics, the aeromodelling club of PDEU conducted an Event named Walk-o-Glider for the Tesseract 2022. In the event, the committee members taught the participants to make various kinds of gliders using styrofoam and paper. A nose heavy glider was made by the participants in addition to a world record loop paper plane. The participants were told to try and test the gliders they made in the open ground before entering a race. A race was then conducted based on the distance the glider covered and the time it stayed in the air. All participants were timed accordingly.

### Key Events:

#### Navras

Navras was the first event that Sorriso hosted offline in a collaboration with Daastan. It was an exclusive photoshoot that aimed at depicting all the 9 emotions that the theories of Indian dramatics suggest. It was also inclusive of the elements of a workshop. It was held on the dates of 22nd February and 23rd February 2022. The first day was when the photo shoot took place whereas the second day was the actual workshop. The event was a great success overall.

## Key Events:

### Introduction to After Effects

The Workshop was hosted by Symmetry - PDEU's Graphic Design Club and focused on the software named After Effects. Adobe After Effects is a digital visual effect, motion graphics, and compositing application created by Adobe Systems that is used in the post-production of movies, video games, and television shows. This was Symmetry's first offline event following the pandemic; the other previously conducted events were entirely online. Around 28 people attended the workshop, which was held on campus. It was great to have one-on-one conversations with members of Symmetry and other Attendees.

### Career Fest

Career Fest was a two-day event organized with the aim to bring the industry closer to our students and provide them with an insight into the future of their concerned field. The event included Webinars, Workshops, Panel Discussions, and Group Discussions by reputable and successful entrepreneurs, Fin-Tech leaders and industry experts with years of experience. For Day 1, session had Mr. Varun Sridhar (CEO, Paytm Money) and Mr. Deepak Parreek (CEO, Career Keeda & TEDx speaker). Mr. Sridhar shared his exceptional journey and the shortcomings he faced in life and how one can emerge successful. Day 2 consisted of a panel discussion including wise personalities such as Mr. Jatin Kataria (CEO-InMeSta & TEDx Speaker), Mr. Vivek Makhijani (Legal Head-CoinDCX) and Mr. Shani Pandya (CEO-Imagine Powertree & Advisor-PDEU IIC). Followed by an insightful conversation with Mr. Savan Godiawala (Partner-Deloitte India & IIM-A V. Faculty) and Kiran DM (CEO-ONGC Foundation). The event accomplished its aim to provide students with remarkable guidance and clarity of what's to come next and how to tackle tough parts of life.

### Basic Filmmaking Workshop

Basic Filmmaking workshop was organized on 5th 7 6th March, 2022 where three personalities from the Gujarati Film Industry, namely Ankit Sakhiya, Bhavik Bhanushali and Dushyant Vyas conducted the workshop. While having immense experience in the film industry, these speakers also had a lot of life skills and values to teach the audience too. The first day in the workshop was all about scriptwriting, cinematography and direction. Bhavik Bhanushali was a professional scriptwriter and Ankit Sakhiya a director in their film. They shared great knowledge they had gathered from their personal experience in the industry. The second day of the Basic Filmmaking Workshop witnessed the "Editing Workshop". Mr. Dushyant Vyas, who has been an editor for multiple projects led the workshop. He not only taught us the technical skills required for editing, but also explained us how the psychology of an editor should work.

# Events by S&T Committee

Sr. No	Event Name	Date
1.	Subcommittee Recruitment Phase 1	03 December 2022
2.	Introductory Session and Wikipedia Run	30 January 2022
3.	Subcommittee Recruitment Phase 2	11 February 2022
4.	Tesseract Theme Launch	4 March 2022
5.	Tesseract – Annual Science & Technical Fest	24, 25, 26 & 27 March

## Introductory Session and Wikipedia Run:

The introductory session was organized to help the first and second-year students understand the role of the S&T committee. Each department head enticed the audience by discussing the plethora of learning experiences one can encounter while being a part of the committee. Building upon the participant's curiosity, Wikipedia Run started soon after the mini Q&A session. It was aimed at as an entertaining introductory event that showcased how S&T can orchestrate exciting games. The event was conducted on MS Teams and Discord from 5:15 to 7:30 PM.

## Tesseract Theme Launch

The event was momentous for Tesseract as it announced the theme and introduced the audience to the clubs that organize events for Tesseract. The event also helped to gauge the participation of Tesseract. Following the official theme launch, Dr. T.P Singh and Dr. Nishant Doshi addressed the attendees about the Tesseract fest and its importance for the students. VGA, Brahmand, SOM, Nucleus, Cretus, Bulls&Bears, and Cretus took over the stage to introduce their clubs to the audience. They interacted with the crowd using riveting methods like quizzes, magic tricks, and comedy specials. Approximately 400 participants attended the event. The audience's excitement for Tesseract 7.0 resulted in massive interaction during the theme launch.

# TESSERACT

Annual science & Technical fest of PDEU

DAY 1

## Tesseract Day 1 - 25th March, 2022

Sr. No	Event Name
1.	Glimpse to Metaverse (Experience AR-VR)
2.	Matrix Breakout
3.	Physics Expo
4.	Valorant
5.	Walk-o-Glider Workshop
6.	Right to Write
7.	Into the Metaverse Webinar
8.	Workshop on EV - In association with iACE

10.	AstroHunt
11.	Counterfactual
12.	Let It Go Workshop
13.	CineShaam
14.	Sorriso Photobooth

## Key Events:

### Glimpse to Metaverse:

A Glimpse To Metaverse was a 3-day long event. To acquaint the participants with future technology entertainment, they were given an ARVR simulation experience. Participants played games like Planck's experience, Beat Sabre & Gun shooting. All the games lasted around 4-5 mins.

### Workshop on EV - In association with iACE:

The International Automobile Centre of Excellence (iACE) organized a one-day workshop on the emerging technology of Electric Vehicles. On 25 March, 50 registered students learned about the types of cars and the batteries used in EVs. They also observed a demo experiment for a hydrogen fuel cell and saw two and four-wheelers running on this technology.

## 2040 Ideathon:

2040 Ideathon focused on the emerging technological advancements one can look forward to seeing in the future. The event revolved around the goal of eliciting ideas from students that could become the solution to problems in the next 20 years. The 19 clubs under S&T had to present their take on this while relating it to their club's domain.

## Key Events:

### Bazaar:

Bulls&Bears, the finance club of PDEU, hosted its flagship event 'Bazaar' which is a stock market simulation game inspired by the real-life stock market. The event was sponsored by Milken and La Pino's Pizza. The event was held in a hybrid mode, with several participants joining the event online. The event took place through a 'Bazaar' website specifically curated for the event by the club. A Dummy bank balance was provided to each participant, and several companies were shown listed at different prices. Various news in the form of text, audio, and video and also rumors were spread through websites and WhatsApp groups. Club members enacted as CEOs of companies, which makes audience interaction more exciting and engaging.

## Refractive Telescope

Brahmand conducted its flagship event- Refractive Telescope Making Workshop. Participants were guided to make and assemble the Refractive Telescope by the Brahmand team. The participants were informed about the working of the telescope along with the techniques of focal length measurements and adjustments. The participants were very enthusiastic about telescopes and enjoyed the session on new learnings and experiences.

## Tess-Fair:

Tess Fair was about celebrating various avenues and aspects of science and technology of the future. All the clubs under S&T attracted a large crowd by putting up their stalls with games following their club's theme. A few of them were - Anirveda, the Techno-Economics club, which came up with two games based on companies, CEO, and related aspects. BullsandBears, the Finance Club, came up with Fin-Pong, where the correct answers landed winners with exciting vouchers. Symmetry, the Graphics Club, had organized a game based on guessing the color palette of a brand. The Society of Mathematics organized a ping pong ball tournament. Network Club hosted a Dumb Charades game with company slogans. Sorriso, the Photography Club, had set up a stunning photo booth for students to capture these fun moments.

13.	Amazing Movies Night	26 March 2022
14.	Movie Screening - Akira	17 April 2022

## Key Events:

### Trash-o-Mania:

TessRun - A 8 KM run for the cause was organized by the students of PDEU, on 27th March'22. Run had five checkpoints which included refreshments at each point. Throughout the route, volunteers were there to guide the participants. Participants needed to collect coupons from all five checkpoints to complete the run. The motive of the 8 km long run was to help gather a contribution for a social cause. School students from the Jethipura School situated in Jethipura Village near G.I.F.T city were invited to witness the marathon with the intention to give them an amusing joyride, followed by a plethora of fun activities to stimulate their perspectives and confidence.

### Tessrun:

Trash-o-mania was the best out-of-waste competition conducted on campus under Tesseract. The event was organized where participants had to make a working model out of the waste material, and judges judged these. The primary purpose of conducting this event was to make an active model from given waste materials. To empower the participants to give their creativity and innovation a shape.

## Squid Games:

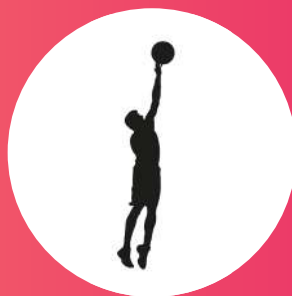

The S&T committee organized Squid Game as a part of the fest, which was held on the 27th of March. The event was similar to the popular Netflix show Squid Game, where participants played nostalgic games from their childhood. The show inspired games like red-light, green-light, blindfold trust game, human-sized Ludo, and tug of war. There were four rounds, each round having a different game. After each round, participants were getting eliminated as the game progressed. In the finale, the final four participants played against each other in a game of blind trust.

# Sports Committee

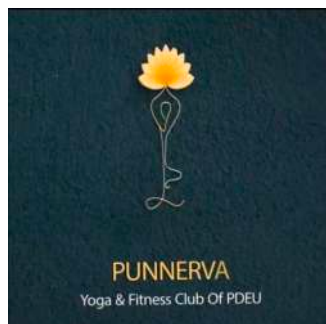

The Sports Committee encourages the students to participate and organize sports event, giving a platform to students to showcase their sporty spirit. The club tries to engage students with fields by organizing coaching camps on different sports like Athletics, Yoga, Taekwondo, Kho- Kho, Volleyball, Football, Kabaddi, Lawn tennis, etc. The committee tries to build up qualities like teamwork, sportsmanship among students by organizing events like Intra-University Tournament and PetroCup - Inter University Tournament. OSAIL helps students to run activities and handle more than 18 different sports.

 No. of hours spent: 51 hrs

## Chaabi kaha hai

Chaabi kaha hai brought back the roadmap to the lost treasure virtually; in other words, it was an online treasure hunt event. Each day a few Tasks/Mind riddles were shared in the groups through a password-protected pdf. The participants were expected to complete the allotted task in order to gain the password for the pdf. After gaining the password, the encrypted pdf would lead them to another task and so on. Solving the riddle or completing each task and unlocking the pdf would allot the individual/team 5 points. Two participants with the highest points were selected for the lighting round from each group.

## Fresher's Cup 2021-22

Every year, to introduce the all-new freshmen batch with the sports legacy of PDEU, the Sports Committee of PDEU organizes Fresher's Sports Meet, a.k.a. The Fresher's Cup. The event included team sports like - Football, Cricket, Basketball, Volleyball, Tug of War, Lawn tennis, Kabaddi, etc., and Individual sports such as Table Tennis, Carrom, Chess, and Badminton. With the commencement of the Fresher's Cup week, the freshmen began to congregate near their different sports areas with great zeal.

## POCC ( PDEU Open Chess Championship)

POCC took things to an entirely new level when it was announced by the Sports Committee that this was an event that was open for all, and that meant not only students but faculties and staff members of the university as well. The entirety of the event was hosted over a time period of three days, between 14th to 16th March 2022, and although the sport started and ended in the duration provided, the committee had been at work at large to ensure the success of the event. Publicity was done on a larger scale than usual, and it indeed played its role in making the event a flagship event of the committee that included all students, faculties, and staff members of PDEU.

# Technical Chapters @ PDEU

Students in coordination with their respective departments & faculties at Pandit Deendayal Energy University (PDEU) set up and run 23 National & International level professional Chapters at PDEU. These chapters give practical edge to the theories students have learned and get networking opportunity with the professionals and experts of their sectors. Students also represent chapters at various competitions held nationally or internationally. Here's list of existing chapters at PDEU:

Sr. No	Chapter Name	Department
1.	Society of Petroleum Engineers (SPE)	Petroleum
2.	Society of Exploration Geophysicists (SEG)	Petroleum

# Student Experiences

S&C has always been a great opportunity for me to improvise my skills in management field. Planning and working as the General Secretary of S&C conducting flare in such a short time was indeed a challenging yet exciting opportunity. Despite of many hurdles faced, we received immense support from OSAIL and our faculty mentors due to which we were successful in pulling out exciting events in such a short span of time. During the transition period from online to offline, conducting events and especially getting audience for the offline event was a great task to accomplish and it was successfully achieved with a very supportive and cooperative team. The experience overall was really great and was a great learning opportunity for me.

**Soham Kewalramani**  
General Secretary- S&C Committee

The title of General Secretary brings with it a lot of responsibilities. I had 19 clubs functioning under SnT and managing all of them efficiently was truly an enlightening experience. This has been a year full of learning curves and that would not have been possible without the support of the committee members and my fellow colleagues. Tesseract is the event that all of the students and faculty look forward to annually. Organizing it after a long pause of two years due to the pandemic was something that required a lot of organization, management and most importantly, teamwork. It was a dream to work on a scale that large and make it a success. I would like to extend my utmost gratitude to Pooja Ma'am, Mitul Sir and OSAIL for being constant pillars of support and motivation in this journey.

**Badal Parmar**  
General Secretary- S&T Committee

I had the best experience of my college life being a part of the sports committee. I learnt so many things starting from being an associate sub com member to leading the whole committee. It helped me in my personal growth, I nurtured my true self and found my potential. It has also been challenging which is the best part as overcoming these challenges is what things kept interesting. I would like to thank all the faculty and staff members of OSAIL, my seniors and my mentors for supporting, helping and challenging me to find the true leader in me. All these experiences helped me become who I am today.

**Neel Gajera**  
General Secretary- Sports Committee

One of the best thing which I loved about PDEU is the clubs and am really grateful that I got opportunity to lead one of the rare club i.e. Tattvam: The Sanskrit Club of PDEU. It was wonderful learning experience to lead a club and especially the club which just started a year before. We had little more challenges than other club as the people are not yet aware about the importance and richness of Sanskrit language. So we tried reaching the language enthusiasts with different and new events every time. The highlight of this year 2021-22 for us was Flare and that also it was first Flare of Tattvam. With efforts of whole team and support of OSAIL, Social and Cultural Committee and our mentor Nigam Sir we contributed towards sharing knowledge of one of the ancient language of the world. In short it was a roller coaster ride full of enjoyment and many experiences and with each growing stage of club the members to grow.

**Vrundali Inamdar**  
**President – Tattvam**

The academic year 2021-22 was the first year of Nucleus in PDEU, and OSAIL has been that guiding organization that one usually looks for when they step in a new field. The main purpose of Nucleus is to empower the diverse spectrum of Physics among the creative and curious minds so that they reconsider Physics as something more than just an academic subject. I could affirm that we have been able to fulfil this purpose of our club through all the events that we conducted, and OSAIL has played a very vital role in whatever this Club has achieved in its first year itself. It is because of their constant support that the first Tesseract has been one of the most memorable experiences for all the committee members of Nucleus. I would like to thank OSAIL on the behalf of the entire Nucleus committee for their incessant assistance and guidance for this and all the future tenures of Nucleus in PDEU.

**Asit Dave**  
**President – Nucleus**

One of the best thing which I loved about PDEU is the clubs and am really grateful that I got opportunity to lead one of the rare club i.e. Tattvam: The Sanskrit Club of PDEU. It was wonderful learning experience to lead a club and especially the club which just started a year before. We had little more challenges than other club as the people are not yet aware about the importance and richness of Sanskrit language. So we tried reaching the language enthusiasts with different and new events every time. The highlight of this year 2021-22 for us was Flare and that also it was first Flare of Tattvam. With efforts of whole team and support of OSAIL, Social and Cultural Committee and our mentor Nigam Sir we contributed towards sharing knowledge of one of the ancient language of the world. In short it was a roller coaster ride full of enjoyment and many experiences and with each growing stage of club the members to grow.

**Rishi Ghiraiya**  
**President – Synergy**

This year was an exciting roller coaster ride, especially for us at Mind Ripple and TEDxPDEU. We collaborated with multiple other clubs and committees of our college, meeting new people along the way and making connections. This experience as the President has been one of those very top few ones which challenge you to be out of your comfort zone, and on your toes every moment of time. Although all of it is worth it when the final result unfolds right in front of your eyes in a scintillating way. I truly witnessed one of the best all-round learning experiences along with creating memories for life. Thank you PDEU, OSAIL and everyone who was part of the club this term who gave their best to achieve our goals as a club, committee and community. Cheers!

**Priyansh Tratiya**  
**President – Mind~Ripple**

Being in a position of authority taught me a lot of things. The most important ones being the ability to lead a huge team and always fighting against the odds. It forced me to think outside the box and do better than what has been done in the past. I loved the thrill and the new lessons that came with it!

**Hansal Shah**  
**President – Brahmand**

The most important thing I learned was teamwork. Keeping everyone on the same page, making everyone feel like their opinions are heard and their contribution is appreciated, are the things I found difficult at first but then with time I was able to handle it well. During the events (mostly workshops), interacting with different people having different mind-sets was fun. I have learned a lot from everyone who was a part of Rang. It was one great experience filled with a lot of learnings. It really helped me in becoming a good leader.

**Khushi Naik**  
**President – Rang**

My journey with Mithakshastra has been the story of breathing with hiccups. I have enjoyed each and every day working or let me say, living with Mithakshastra. This team has given me everything I ever wanted from my college life. Being an introvert, I had never imagined myself participating in extracurricular activities let alone initiating and leading a club. I had all but one friend in school, and now coming to build a community of 50, conducting 15+ events in a year and engaging 1400+ participants seems nothing but surreal to me! It is truly a dream come true for me. The club is the symbol of our hobby, our passion, our thoughts, our time, our culture. It has given us immense pleasure and has made our college life SUPER memorable. My heart is filled with happiness, pride and gratitude that I got a chance to leave behind memories on the walls of Pandit Deendayal Energy University.

**Vidhi Alpeshbhai Thakar**  
**President – Mithakshaatra**

I learnt a lot during my tenure as President of Punnerva. Conduction of events offline as well as online, helped in skills upgradation. We even faced many difficulties, but with teamwork we overcame everything with a smiling face. Many beautiful memories along with unbreakable bonds made during this time. Will always cherish this good times spent with Punnerva.

**Kratika Mundra**  
**President – Punnerva**

Heading the dance club was one of the best experiences i have ever had. I have learned, improved and gained a lot during this journey. The entire year was full of memories some good some bad but after all it was all worth it. OSAIL, Pooja Ma'am and Mitul Sir acted as our pillars of strength and were literally a call away always.

**Trisha Garg**  
**President – Malang**

I had an absolutely amazing and enriching experience, being the president and founder I have learned so many things, which I look forward to carrying it and use it in my professional journey. This wouldn't have been possible, if OSAIL, Niyati ma'am and Pooja Ma'am hadn't put all their trust and efforts in me and provided me with their guidance and mentorship at every step. I cannot thank OSAIL enough for helping me out during our initial days and helping to establish the club in College. I believe that we can attain further great success with the help of your support and mentorship

**Priyam Sheth**  
**President – The Network**

I had immense pleasure being the President of Zaayka. Having the opportunity to work with over 50 teammates and conducting over 15 food events/stalls/games with everything that came the way is something I'll savour, always. Zaayka is that little baby I have seen growing from when it started till date and oh it's been cheese balls!! It quite literally went from to AH to AHMAZING.

**Khushi Anand**  
**President – Zaayka**

My tenure started with Pooja Ma'am holding a GMeet with my team and explaining about the functioning of OSAIL and what we had in mind for the year 2021-22. Considering the COVID-19 pandemic and the online medium used by Universities across the country, OSAIL had been always been approachable from time and again. There was always a quick response from both Pooja Ma'am and Mitul Sir when it came to our doubts, EPF submissions and event approvals. The reimbursement of money was also done smoothly. Once we entered the offline mode, and Rotaract Club of PDEU started doing offline events, there was huge encouragement and support from OSAIL's side. Especially during Blood Donation and PDEU HAAT 4.0, the time and energy invested by both Pooja Ma'am and Mitul Sir helped us hugely in bringing the above mentioned events a reality.

**Harsit Saikia**  
**President – Rotaract**

My experience as the President of Sorriso for the year 2021-22 has been extremely cherishing as well as insightful. Working hand-in-hand with my Sorriso family and OSAIL taught me the real meaning of team work. And made me realize the importance of a leader in bringing out the best in a team. I would always be grateful for that. I would like to extend my gratitude towards my Sorriso family for supporting and believing in me throughout. I am also thankful to Pooja Ma'am, Mitul Sir, and S&T team for always being there and supporting Sorriso in all our endeavors.

**Jugal Acharya**  
**President – Sorriso**

As the President of Anirveda my experiences exceeded my expectations. I got to learn not only about Techno-Economics but also about managing and leading a team, conflict solving and solving any and all hiccups that would inevitably come up during the execution of any event. I would like to extend a hearty thank you to OSAIL, especially Pooja Ma'am and Mitul Sir who guided me whenever I had any questions, doubts and allowing us the freedom to try and execute new ideas. My three years at Anirveda gave me moments I will cherish forever and look upon fondly when I reminisce my years at PDEU.

**Riya Sharma**  
**President – Anirveda**

Pretty overwhelming, considering the fact that it was my first experience heading a team back on campus post covid. It was an emotional roller-coaster, to sum it up!

**Aakanksha Sharma**  
**President – Panache**

I've been working with Envirofreaks club since the 1st year. I've seen a positive drastic change in me by adopting Soft skills or qualities (I.e., leadership, communication, public speaking, etc). I think these student activities play a major role in updating students' personalities, especially for those students who are introverts. I want to thank OSAIL to open such doors for us.

**Janvi Chaudhari**  
**President – Envirofreaks**

My experience as a President was wonderful. Whilst we enjoyed interacting with the team, OSAIL, mentors, professors, and dignitaries from all over the country, we as a team also faced different problems and learned how to overcome them as well. As an individual, I was able to develop a good set of soft skills which are very helpful, important and a must for all. Overall it was a great experience and a fun journey!

**Manav Bhavsar**  
**President – SOM**

I became a president just as I completed my 1st year. The system, the surroundings were very new to me. I was afraid of handling the responsibilities. With guidance from OSAIL, I was able to complete the journey. I learnt so much in the past year due to the ups and downs I had to face. But all in all it was a great journey for me.

**Dhara Parekh**  
**President – Avionics**

There are many more behind the success of all these events. OSAIL is also thankful to :

**Mr. Deven Prajapati**  
Chief Campus Manager &  
Team of Facility Management

**Mr. Abhinav Kapadia**  
Chief Finance Officer &  
Team of Finance Department

**Mr. Ankur Pandya**  
Chief Technical Officer &  
Chief Human Resource Officer  
& Team of IT Department

OSAIL Sincerely thanks faculty mentors of each club for their constant and untiring support to make these events successful :
